

Governor Lamont's Proposed Budget for 2023-24

Good afternoon, members of the Education and Appropriations Committee.

My name is Zoraida Cabrera and I live in 4 Stetson Place, Danbury CT 06811. The purpose of this letter is to speak on the Governor's proposed Budget for Elementary & Secondary Education (HB6659).

As a resident of Danbury, a Hispanic businesswoman and a mother, I urge you to consider the damage it will cause our public school system and our students if financial support is provided to a Danbury Charter School that is competing for funding. If you want to put more money into education in Danbury, please do it by providing funding to the Danbury Public Schools.

Thanks,

Zoraida Cabrera
